Dear Brethren,

Can you believe that 2013 has come and gone and we are already on our way into 2014 with everything that it may hold. By now many have scheduled or are expecting major events for this year. People all over the world are making plans for the arrival of a new baby, what they will do after graduation., or possibly going over details for their wedding day. However most have not given any thought to the idea that they may never see those events occur. Let's make it our goal to teach as many people that we can the gospel . Then no matter what may occur in their lives they can face it with the hope and joy that is only available to those that are in Christ Jesus.

Your monthly support of the Thailand Bible Literature helps assure that thousands of individuals will be given the opportunity to hear and obey the gospel. Thank you for your support and may God bless you in 2014 and, if the Lord allows, in the years to come.

In His Cause,

John Davis
